Sandberg Bluetooth Headset Business Pro is a stylish mono headset with a head band. It charges in a nifty charging base, which can also function as a Bluetooth transmitter. This way, you can connect the headset to a PC without built-in Bluetooth. Alternatively, you can also connect the headset directly to your Bluetooth device, e.g. PC and smart phone. The noise-reducing microphone eliminates background noise, so your voice will come across clearly. The headset fits firmly and comfortably over your head, allowing you to enjoy full mobility during your conversation.
