Sandberg Laptop AC Adapter Mini 90W

Double Quality Tested

RoHS COMPLIANT

5 YEARS WARRANTY

The Sandberg Laptop AC Adapter Mini 90W is an inexpensive alternative to an original power supply and you won't notice any difference in performance. This is the perfect opportunity to get an extra power supply, e.g. for work or study purposes, or to replace the original if you've lost it. The connector from the power supply can be adapted to fit your laptop by swapping it with one of the many connector types enclosed. English user guide.
