

Solar Charger 15W Lightweight

Item no.:

421-42

EAN:

Sandberg Solar Charger 15W Lightweight gives you a handy power source when you're on the go and want to be less dependent on outlets. The compact and foldable solar panel is easy to carry in your backpack and is suitable for outdoor use like hiking, camping, and festivals. The efficient monocrystalline solar cells deliver up to 15W, allowing you to charge smartphones, powerbanks, and other USB devices directly via USB-A or USB-C. The durable ETFE coating ensures high efficiency and long lifespan, even under tough conditions. With its lightweight design, practical storage pocket, and waterproof construction, Sandberg Solar Charger 15W Lightweight is a solid choice when you need power on the move.
